* CHARTERING OF FOREIGN AND COASTAL CARGO*

COASTAL CARGO CHARTERING :

With a coastline of 5560 kms. and access to the sea on three sides with 11 major and 168 minor/intermediate ports in India . There remains a huge untapped potential for movement of cargo along the Indian coast without crossing an ocean. Transportation of goods by coastal vessels is far more efficient and cost effective than road transport and is much less prone to theft and damage. We at DARIYA SHIPPING design a cost effective and efficient end to end logistics solution for movement of your cargo by coastal shipping services.

DARIYA SHIPPING owns 2 coastal vessels (MINI BULK CARRIERS) of about DWT 2800 MT and we also have many coastal vessels under T/C and we plan to enhance our fleet looking at the demand of trade.

FOREIGN CARGO CHARTERING:

With our Knowledge of the Global Freight Market we are able to Provide our Clients with Adequate Market information and Cost-effective Solutions for all their Sea Transport needs.

Our dry cargo chartering division operates vessels from DWT 5000 MT TO PANAMAX SIZED VESSELS. Cargo commodities such as coal, iron ore, steel cargos etc. are our strength. We hold a very large proportion of chartering in steel cargo, we have executed many shipments of steel cargo, steel billets, steel bars, coal , iron ore fines in past and we evaluate the costing bases the size , cargo , dimensions and stacking .

CARGO HANDLING AND DOOR TO DOOR SERVICES :

Our motto at DARIYA SHIPPING is to understand the trade needs and adapt accordingly to provide services which is cost effective for our clients. Thus, we at DARIYA SHIPPING also provide cargo handling services and with our numerous resources of sea transport, port equipments, road transport etc. We provide our clients with door to door delivery services as well. We cover a wide range of commodities such as dry bulk, break bulk, project cargo, we take care of all necessary activities in transport cycle, from making an offer till delivery of the cargo to plant /warehouse.

By optimal and tailor made services we are able to provide “JUST IN TIME” deliveries we guarantee an efficient and professional delivery of your cargo.

WAREHOUSE OWNER AT KANDLA & MUNDRA :

At our Kandla & Mundra site,
We have a total warehouse area of 45000 sq.ft.

While building our warehouses we have taken great care of
compelling with international standards that suits the requirements
of our clients.

Our warehouses are equipped with best infrastructure and with
our professional staff and commitment to service delivery we
ensure that all the materials stored and managed in safe and
professional manner.
